PERFORMANCES

ARTS & SCIENCE

HAWAI'I WOMEN IN FILMMAKING

Making Media That Matters and the Reel Camps for Girls are filmmaking programs for young women to develop filmmaking and critical-thinking skills by examining issues in their communities.

The programs provide a platform for our young women to learn about filmmaking, tell their stories and be agents of social change through film - filmmaking for civic engagement and social justice.

www.hawaiiwomeninfilmaking.org

Kaneohe Music School

Aaron Cardenas is a classical guitarist and composer born and raised in Kaneohe. His goal as an educator is to supply the island's keiki with a conservatory education, whilst incorporating Hawaiian culture into the curriculum.

ARTS & SCIENCE

'Ōlelo Community Media

Empower, Equip and Engage! 'Ōlelo Community Media is O'ahu's nonprofit community Public, Education, and Government (PEG) access provider, created to empower the voice of the community. When you view any one of 'Ōlelo's four cable channels, VOD channels, or online channels, you will find unique and local stories from hundreds of dedicated community producers about our island, our people, the many cultures we share, and the issues we face.

www.olelo.org

Stargazers of Hawaii

Hawaiian stargazing shows through large portable telescopes. View the Moon, planets, star clusters, nebulae, galaxies and more! 20+ years of public astronomy experience and a BSA Astronomy Merit Badge counselor.

ARTS & SCIENCE

T-Shirt Theatre

We are the Alliance for Drama Education [ADE]. The mission of ADE is to “help young Hawai’i Rehearse For Life by mastering performing skills needed to win Jobs, Justice, and Joy.” T-Shirt Theatre calls itself a Community of Practice where young people come together around the practice of dramatic arts. Over the course of being a part of the community, participants experience an arc of development that results in their becoming contributing adult citizens.

Kilo Books Hawai'i

Kilo Books Hawai'i creates nature-based activity field guides for families. We aim to strengthen family bonds through the native Hawaiian practice of *kilo* or observation. Each field guide provides an easy, fun and ready to go curriculum that centers around observing nature over time from the comfort of home.

SCHOOL OPTIONS

Christian Homeschoolers of Hawaii

Christian Homeschoolers of Hawaii (CHOH) exists to promote, protect, and provide support to homeschooling families in Hawaii. As a statewide, non-governing service organization, CHOH organizes activities to educate, assist, and encourage families in homeschooling endeavors and serves as a liaison between homeschooling families and national, state, and local organizations and agencies.

SCHOOL OPTIONS

Hawaii Technology Academy

We do school differently. We are a public charter school and educate students in grades K-12 on 4 islands (Oahu, Big Island, Maui, and Kauai). We empower our students to succeed through our blended learning experience (Face-to-face, virtual and work-based learning/field studies). Our students get the opportunity to practice and refine the knowledge and skills that will help them succeed in college and careers of their passion and interest.

www.myhta.org

KS Scholars & Kilohana

Kamehameha Scholars provides students in grades 9 - 12 with year-round workshops in post high school planning. Kilohana is a program for grades 6-8. designed to connect haumāna to their Hawaiian identity, through cultural experiences, and project-based learning. In both programs students deepen their connection to Hawaiian culture, develop leadership and 21st-century skills, while strengthening their connection to their community.

SAVVY**

Microsoft

At Microsoft our mission is to empower every person and organization on the planet to achieve more. This growth mindset influences how we initiate change and foster enduring partnerships within the education space. Microsoft Store Ala Moana presents our Micro:Bit - Code as a Team and Minecraft Education Edition's Hour of Code: AI for Good. Choose your Adventure: Work as a group to solve a coding challenge or experience coding concepts within a Minecraft World

oceanit[®]

innovation through engineering & scientific excellence

Oceanit is a Mind to Market company founded and based in Hawai'i. Built upon our values of Curiosity, Community, and Ohana, Oceanit is dedicated to spreading next-gen "superpowers" to our islands' lifelong learners. Through programs like Design Thinking, Altino Coding, and Aloha Artificial Intelligence, we are fostering these skill and mindset superpowers for our technology leaders of tomorrow.

PURPLE MAI'A

TECH- SAVVY

The Kaikaina program puts Purple Mai'a coding and computer science kumu at schools and youth organizations around the islands. Classes are either after school or elective, and they are free to students (funded by private grants and contracts). Kumu are Native Hawaiian or local people, many are parents, and all have CS knowledge and are passionate about sharing this knowledge to positively affect students' lives.

<https://purplemaia.org/our-programs/>

Tech Squidz is a program of Purple Mai'a, an immersive afterschool education program. It's a chance for youth to explore their own stories and the various stories that are here in Honolulu, in O'ahu, and in the Pacific.

SAVVY**

Twiddle Productions

Located in Honolulu, Twiddle Productions Inc. is a unique animation, production, education, and multimedia studio whose work has been featured on television, in schools, and film festivals. Projects range from creating cultural based content, animation and curriculum development for coding and robotics. Currently Twiddle is in development of several animated projects and offers both coding and robotics classes at their studio and various locations throughout Hawaii. Twiddle also produces the CAFF: The Cultural Animation Film Festival which is held at the Honolulu Museum of Art Doris Duke Theatre in June of this year.
